APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the Place of Use of the waters of an underground source as heretofore granted under Permit 23811 is issued subject to the terms and conditions imposed in said Permit 23811 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit corrects the acre foot duty shown on the permit issued October 18, 1973 under Application 27423 from 4.0 acre feet per acre annually to a total duty of 640 acre feet annually.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.7 cubic feet per second but not to

exceed 640.0 acre feet annually.

Actual construction work shall begin on or before December 18, 1973

Proof of commencement of work shall be filed before January 18, 1974

Work must be prosecuted with reasonable diligence and be completed on or before December 18, 1973

Proof of completion of work shall be filed before January 18, 1974

Application of water to beneficial use shall be made on or before December 18, 1974

Proof of the application of water to beneficial use shall be filed on or before January 18, 1975

Map in support of proof of beneficial use shall be filed on or before January 18, 1975

Commencement of work filed MAR 25 1974

Completion of work filed MAR 25 1974

Proof of beneficial use filed MAY 24 1977

Cultural map filed MAY 24 1977

Certificate No. Issued
